

GOT LUNCH!
FEEDING LACONIA'S CHILDREN
A HEALTHY SUMMER LUNCH PROGRAM

Parents of Laconia school-age children: We are very excited to announce a *healthy summer lunch program* that is not only free to all Laconia school children, but will give you the option of free home delivery once per week, or Sunday pick-up. Your choice. Does this sound too good to be true? This program is IN ADDITION to the free or reduced price lunch and/or breakfast that your child may already be receiving.

GOT LUNCH! is working within the framework of a network of Community Agencies called "Better Together" has developed a plan to do just that. We are working in concert with area schools, churches, temples, agencies, individuals and businesses to assist in this program. We have all heard for far too long now that we have children not getting the nutrition they need, or that is recommended for healthy living. We are taking action.

Here is what we need **YOU** to do! Fill out the registration form below. We need to know who wants to participate in this program. Return the form to your school principal's office . A week's worth of healthy lunch foods will be delivered to your home, mid to late morning of every Monday for the full 11 weeks that school is not in normal session. If you would prefer, you may also choose to pick up your lunches from the Congregational Church on Sundays between 11:30-1:00 PM. Further details of the delivery system are still in development, but you will receive a letter describing that system in coming weeks. For now, for our planning, please fill out these forms and have your student return them to either their school nurse, or guidance counselor.

Thank you Laconia for being a city that truly cares for its' children!

Parent (s) Name: _____

Address _____

Student's name(s) _____ Age _____

_____ Age _____

_____ Age _____

Pick-up or Delivery (Circle 1)

_____ Age _____

_____ Age _____
